MARCH OF BRIAN THE BRAVE

The March of Brian the Brave refers to the Irish hero and leader, Brian Boru (978-1014), who is generally regarded as the chief hero of Ireland. The march should be played as bold and majestic as possible. Brian Boru is one of the best equipped warriors of medieval times for the present day he has the gift of making everything he touches very playful and at the same time interesting. Grade 5.

G. A. GRANT-SCHAEFER

Tempo di March 2/4, ♩ = 104

Musical score for 'March of Brian the Brave' in 2/4 time, marked 'Tempo di March 2/4, ♩ = 104'. The score is written for piano and features a series of six systems of staves. The music is characterized by a strong, rhythmic melody in the right hand and a supporting bass line in the left hand. The piece is marked 'Bold, staccato' and includes various musical notations such as slurs, accents, and dynamic markings like 'pp' and 'f'.

VALSE JOYEUSE

Dance, who knew Constantine Brancusi's *Sleeping Girl* (1906-1916), would agree that it was certainly dominated by his marked artistic gifts. The gay waltz, written under the pen name of Baller, is one of his better works. The dancing melody in the left hand part of the second movement is particularly effective. Grade 4.

MASTER WORKS
PRELUDE, in F[♯] minor

Chereshk's mastery of the aggressive potentialities of its plant is nowhere better expressed than in its exquisite work with its delicate, hair-like touch ground. The personal skill of being able to play this effectively is one of the finest but more experienced in human and affects the student who achieves it. Many times the delight that comes from merely feeling the composition of the plant in the world when the peaceful world comes before with the the plant than any sensory effect."

FRÉDÉRIC CHOPIN, Op. 28, No. 9

Molte agitate M H 2.50

The Most Comprehensive Music Reference Book Ever Published In Any Language In One Volume

The only encyclopedia which provides, readily and accurately, all the information anyone interested in music can need, on each and every branch of musical theory, instruments and instrumentalists, orchestras and conductors, singers, sacred music, operas, music schools and conservatories, bibliography and writers, past and present . . . in fact, on literally thousands of separate topics which heretofore have required scores of volumes for adequate research and reference.

The only encyclopedia which provides this voluminous information, quickly, completely, with all extraneous matter deleted in ONE INCLUSIVE ALPHABETICAL LIST, which omits confusing abbreviations; which is printed in an uncluttered format, from specially selected, eye-testing type!

An encyclopedia containing 51,000 references—over 2,000,000 words in 2,000 pages, measuring 8 1/2 x 11 inches, handsomely and durably bound.

SCOPE OF THE WORK

The modern need for an all-inclusive, encyclopedic has long been felt. It is now thoughtfully and magnificently supplied in the MACMILLAN ENCYCLOPEDIA, and in no other, in any language! A useful music library in itself, the "partial list of subjects" is an adjoining column is only a bare outline of the complete coverage of music that it affords. Every phase of music, in every land, is covered from the earliest known beginnings, up to the very day when the final form was locked up for the press!

Caring for the Vocal Instrument

(Continued from Page 100)

or closed, after my vocalists I like to see them after the rehearsal of my song to see how they are. I like to see them after the rehearsal of my song to see how they are. I like to see them after the rehearsal of my song to see how they are.

And Now to the Voice

In singing, the voice is the most important instrument. It is the only instrument that is not made of wood or metal. It is the only instrument that is not made of wood or metal.

Steady and Steady

When I am in a song, I like to see them after the rehearsal of my song to see how they are. I like to see them after the rehearsal of my song to see how they are. I like to see them after the rehearsal of my song to see how they are.

Refreshingly New PIANO TEACHING MATERIAL

Schroeder & Gunther, specialists in the preparation of the latest piano teaching material for sale and in the preparation of the latest piano teaching material for sale and in the preparation of the latest piano teaching material for sale.

Consistent Piano Teaching Material. This new series of piano teaching material is the most complete and up-to-date piano teaching material available.

MAGIC FINGERS

MICHAEL AARON

A highly original and new series of piano teaching material for sale and in the preparation of the latest piano teaching material for sale and in the preparation of the latest piano teaching material for sale.

Consistent Piano Teaching Material. This new series of piano teaching material is the most complete and up-to-date piano teaching material available.

Consistent Piano Teaching Material. This new series of piano teaching material is the most complete and up-to-date piano teaching material available.
